We need Playworkers for lunchtime/ after school club!

To update you on the success of Friday's bake sale for CRUK. The Year 2 children involved raised an amazing grand total £471.50 (£341.50 cake sales and £130.00 from their peers returning 20p tubes).

We're super proud of all the girls and how they conducted themselves during the sale. We're totally overwhelmed by the support we received from their peers and parents who baked for us and came along.

Thank you!!

## Can you help?!

It's only a few weeks to go to the 2018 **Strensall Carnival** on Saturday 23rd June.

Planning the event takes a lot of time and effort and any help the day before or on the day would be greatly appreciated.

We need volunteers to help label up the many Tombola prizes from 1.00pm on the afternoon of Friday 22nd June at the Village Hall or to blow up Helium balloons later in the afternoon.

Picnic Day

Another 300yr celebration to add to our week! Friday 6<sup>th</sup> July will be a picnic lunch consisting of

**Red Option**  
Sausage roll, smiley potato face and a cookie or piece of fruit

**Green Option**  
Quorn dippers

If your child is a hot dinner option already on that day, you do not need to do anything unless you wish to swap options. If your child isn't down for a hot dinner please book before the 24<sup>th</sup> June!

On the day, we need people to help on the Tombola from 12 – 3.30 (even if just for 30 minutes) or general help throughout the day.

If you are interested, please contact [StrensallCC@outlook.com](mailto:StrensallCC@outlook.com)

## Sports Report

This week in PE lessons the whole school has continued to work towards their sports day practise. We introduced the hurdles and skipping ropes, as well as focussing on how to correctly finish the sprint races. Hopefully all the children have an idea about the races they wish to do come sports day.

This week has also been extra busy for competitions with three on Tuesday alone. Mr Dyson took 9 girls to Knaresborough for the girl's cricket festival. A competition similar to last week following the "Kwik Cricket" format, meaning everybody had the chance to bat and bowl during each game. We managed to make it through to the semi-finals competing against schools from across North Yorkshire!

Mr Evans took six Year 3/4 pupils to a touch rugby competition ran by York City Knights. Once Mr Evans had worked his magic and added a couple of tactics, the team started to look very good. There were no league tables made for this competition, but all pupils had a great time and was a fantastic experience to play against lots of other schools.

Finally Mr Clark took a group of pupils from Year 5/6 to yet another rugby competition called "Megafest". Here our small group was partnered up with another school and took part in a variety of different activities that all related to rugby, with each activity then being scored. This gave us the opportunity to not only be competitive but take part at team based activities with people we wouldn't usually work with. As a result of our hard work, we managed to qualify for the North Yorkshire School games on Sunday 7th July. This will now be the schools 4th team attending the competition!

We have also launched a small competition this week (see below), so please make sure you are get any entries into the PE team as quickly as possible. Mr Dyson and Mr Clark are looking forward to learning some facts about the more obscure teams at the tournament!

And Mr Dyson went on a Gymnastics course!!

Sports Day Timings - Tuesday 26<sup>th</sup> June

9.30am – 10.30am – LKS2 (Y3 and Y4)  
11.00am – 12.30pm – UKS2 (Y5 and Y6)  
1.00pm – 2.30pm – KS1 (Y1 and Y2)

Get wishing for a dry and sunny day!

### World Cup Competition

Every class from Nursery to Y6 has drawn a team to support, please see the list attached to your ParentPay message. All your child has to do to enter this competition is design a poster (ideally A5 size) based on their classes team. This poster can be anything to do with their chosen country, starting from a player profile for a star player, or could include more research into the history of their team. Hopefully this leaves lots of room for THE CHILDREN to be as creative as they want to be!

Send your entries to either Mr Dyson or Mr Clark by Friday 22nd June, ready to announce the results the following Monday.
