Friday 5th November 2021

It has been lovely to see the children back in school this week after their half term break. They are full of enthusiasm despite the very autumnal weather. A big thank you to everyone who has sent in plastic bottles, our art installation is underway. Please feel free to send in extras the more poppies we have for our display the more striking it will look.

## **BONFIRE NIGHT**

I am sure that like me many of you will be enjoying fireworks or attending a bonfire. Please stay safe, we want all our children back in on Monday safe and well.

## **WALKING HOME ARRANGEMENTS**

As the nights draw in it is a good idea to review your child's walking home alone arrangements. At this time of year it is cold, wet and dark and visibility is often an issue. Please let staff know if you are changing these arrangements so that we can keep an up to date record. If they are remaining the same please can we ask that you spend time talking to your child about road safety, not speaking to strangers and coming straight home

## **CHILDREN IN NEED**

To celebrate children in need and raise money for this charity we are asking for the children to dress in spots or children in need t shirts etc and make a donation via the just giving link as detailed in the ParentHub message. Our non uniform day will be Friday 12th November, we can't wait to be seeing spots!

## **ANTI BULLYING WEEK**

Throughout the week beginning 15th November we will be joining schools across the country to celebrate Anti Bullying week. This year's theme is 'one kind word' and this will be discussed in classes and in year group assemblies throughout the week. We are kick starting the week on Monday 15th November, by asking staff and children to wear odd socks to show their support

## **CHRISTMAS CHAOS**

I have attached a copy of the calendar for the half term so that you can see the activities that will be taking place and be able to plan for them. Unfortunately due to the rising cases of COVID we will be unable to share our Christmas celebrations with families this year. We promise we will use our IT skills to share some of the highlights with you. An early heads up around Christmas cards, children will not be able to distribute their Christmas cards in school. As an alternative you may wish to consider making a small donation to a charity in your child's name.

Best wishes  
Donna Bedford
