

Governing Body Update March 2022

The Local governing body of RWPA met on 2nd March 2022.

Governor visits:

With the easing of the covid restrictions governors are now returning to regular school visits. These allow the governors to see the school in action, ask questions and challenge the senior leaders. Ensuring the objectives outlined in the school development plan are being followed.

The covid easing has also allowed more cross year groups activities. It was lovely to hear about the children, and staff excitement for the year 1 visit to year 6 to share their knowledge of Ernest Shackleton. Look out on the twitter feed to see more.

The governors are encouraged to see more and more extracurricular activities, including sports clubs, school Orchestra and choir. If you have a hobby and would like to pass your skills onto the next generation please speak to the school office.

Library:

Last Thursday was world book day. It was exciting hearing about the reopening of the newly revamped school library. This is a great space for children to explore and enjoy reading a good book. The governors would like to thank the library team for all their hard work sorting and arranging the books and making the room welcoming and cosy.

Ofsted Parent view:

The governors are working with the senior leaders to prepare for an expected Ofsted visit. An important part of any Ofsted visit is hearing parents' views. The Ofsted parent view questionnaire can be completed at any time, even updated throughout the year. It only takes 2-3 minutes to complete. Ofsted Parent View gives you the chance to tell Ofsted what you think of your child's school, you do not need to wait until the school is inspected. The information you provide can help shape the discussions inspectors have with the senior leadership team. The governors would be grateful if as many parents could complete the questionnaire. The link is below.
