Sporting Provision at Robert Wilkinson Academy 2022/2023

PE at RWPA has evolved over the years; it is our mission to keep growing this subject even further.

We want to provide as many opportunities for our pupils as possible so that they leave RWPA physically literate and have a life-long desire to take part in sport and keep healthy.

PE is offered to pupils in Year 2, right through to Year 6, twice a week. We offer multiple extra-curricular clubs throughout the year, targeting the whole school in a range of activities. As well as having a full time PE coach, we also seek PE provision from external providers within the local community such as the York City Football Club.

With so much participation and enthusiasm for sport, we also enter as many competitions as possible, allowing children to take their sporting passion to the next level.

We do this through buying into the York School Sport Partnership Network. In 2019, we were very proud to be awarded the 'Platinum' award from the Sainsbury's School Games Mark and have maintained this high standard for the past four years. This was in recognition of our hard work, passion and dedication to our subject whilst working hard to obtain the 'Gold' award from 2015-2019.

Swimming is one of the few subjects which can one day save your life.

We value it to the extent that we have our own swimming pool on-site. All of our pupils swim from Y2 right through to Year 6. We have a very high percentage of pupils that leave us water confident by the end of their primary journey and meeting the National Curriculum requirements.

We like to think that our staff have a passion for teaching PE and regular CPD opportunities are readily available and offered to them. We have a full time sports' coach, Mr Dyson, who delivers PE and promotes the benefits to pupils on a daily basis. Having a full time coach allows the pupils to benefit from specialist lessons and also for them to share good practice with staff.

We have found that this also gives more pupils the chance to train for and enter competitions. In addition to our full time coach, we have a passionate subject leader, Miss Duffill, who is always seeking new opportunities.

With the continued funding available from the government, Robert Wilkinson Academy sees this as an opportunity to build upon and create a legacy for ALL of its pupils. We plan on spending the money in a way which benefits all pupils and staff, not just now, but also in the future. We want to create capacity to offer a sustainable programme of sport.

We strongly believe that 'A healthy and active child is more likely to become a healthy and active adult'

Key achievements to date until July 2023:	Areas for further improvement and baseline evidence of need:
<ul style="list-style-type: none"> • Robert Wilkinson Primary offers swimming to ALL pupils from Year 2 all the way through to Year 6. • Robert Wilkinson Primary Academy achieved the GOLD standard kite mark from Sainsbury's School Games from 2015-2019 and have retained the highest award, PLATINUM' from 2019-2023 in recognition of our hard work and dedication. • Robert Wilkinson offers two PE lessons to ALL pupils from Year 2 to Year 6 each week. One is delivered by a subject specialist and the other by the classroom teacher. • Robert Wilkinson Primary Academy pupils have represented the school in a number of competitions including football, dodgeball, sports hall athletics and hi five netball. We are currently the ESFA Pokemon School champions, with our Y5/6 boys football . Something which we are very proud of. 	<ul style="list-style-type: none"> • We aim for staff to maintain their high standard of delivery in PE; in order to do this, CPD time will be allocated and their needs assessed. • We would like to continue to seek opportunities for pupils to stay physically active through a broad range of activities and encourage wider participation in extracurricular clubs. • Barriers to participation in PE will be another focus for the school this year. From this we would like to see what we can put in place to combat inactivity. We have activity trackers in place to monitor the least active year groups. • We are offering ALL pupil premium children a term worth of free sports clubs throughout the academic year 2023/24 • We would like to improve staff's knowledge and competence of assessment in P.E. In order to improve confidence and outcomes for pupils and to inform future planning. • P.E Team to support staff with schemes of work and planning. • Young Sports Leaders to be chosen in the Summer Term with training beginning in Autumn Term 2022.
