Sporting Provision at Robert Wilkinson Academy 2023/2024

PE at RWPA has evolved over the years; it is our mission to keep growing this subject even further.

We want to provide as many opportunities for our pupils as possible so that they leave RWPA physically literate and have a life-long desire to take part in sport and keep healthy.

PE is offered to pupils in EYFS, right through to Year 6, twice a week. We offer multiple extra-curricular clubs throughout the year, targeting the whole school in a range of activities. As well as having a full time PE coach, we also seek PE provision from external providers within the local community such as the York City Knights rugby club.

With so much participation and enthusiasm for sport, we also enter as many competitions as possible, allowing children to take their sporting passion to the next level.

We do this through buying into the York School Sport Partnership Network. In 2019, we were very proud to be awarded the 'Platinum' award from the Sainsbury's School Games Mark and have maintained this high standard for the past five years. This was in recognition of our hard work, passion and dedication to our subject whilst working hard to obtain the 'Gold' award from 2015-2019.

Swimming is one of the few subjects which can one day save your life.

We value it to the extent that we have our own swimming pool on-site. All of our pupils' swim from Y2 right through to Year 6. We have a very high percentage of pupils that leave us water confident by the end of their primary journey and meeting the National Curriculum requirements.

We like to think that our staff have a passion for teaching PE and regular CPD opportunities are readily available and offered to them. We have a full-time sports' coach, Mr Dyson, who delivers PE and promotes the benefits to pupils on a daily basis. Having a full-time coach allows the pupils to benefit from specialist lessons and also for them to share good practice with staff.

We have found that this also gives more pupils the chance to train for and enter competitions. In addition to our full-time coach, we have a passionate subject leader, Miss Duffill, who is always seeking new opportunities.

With the continued funding available from the government, Robert Wilkinson Academy sees this as an opportunity to build upon and create a legacy for ALL of its pupils. We plan on spending the money in a way which benefits all pupils and staff, not just now, but also in the future. We want to create capacity to offer a sustainable programme of sport.

We strongly believe that 'A healthy and active child is more likely to become a healthy and active adult'

Key achievements 2023-2024

This template will be completed at the end of the academic year and will showcase the key achievements schools have made with their Primary PE and sport premium spending.

Activity/Action	Impact	Comments
Robert Wilkinson Primary offers swimming to ALL pupils from Year 2 all the way through to Year 6.	This ensures all children at Robert Wilkinson Primary, from Years 2 to 6, can learn to swim and become water confident at an early age.	
Robert Wilkinson Primary Academy achieved the GOLD standard kite mark from Sainsbury's School Games from 2015-2019 and have retained the highest award, 'PLATINUM' from 2019-2024 in recognition of our hard work and dedication.	Earning Sainsbury's School Games GOLD and PLATINUM kite marks for years shows Robert Wilkinson Primary Academy's commitment to providing excellent physical education opportunities for our pupils.	
Robert Wilkinson offers two PE lessons to ALL pupils from EYFS to Year 6 each week. One is delivered by a subject specialist and the other by the classroom teacher.	This ensures all children (EYFS to Year 6) receive in-depth physical education twice a week, with one session led by an expert and another reinforcing those skills with their classroom teacher.	
Robert Wilkinson Primary Academy pupils have successfully represented the school in many competitions including football, dodgeball, sports hall athletics and the Brownlee Triathlon.	Participating in these competitions fosters a sense of school spirit, teamwork, and achievement in the Robert Wilkinson Primary Academy pupils.	

Swimming Data

Meeting National Curriculum requirements for swimming and water safety.

Priority should always be given to ensuring that pupils can perform safe self-rescue even if they do not fully meet the first two requirements of the National Curriculum programme of study

<u>Question</u>	<u>Stats:</u>	<u>Further context</u> <u>Relative to local challenges</u>
What percentage of your current Year 6 cohort can swim competently, confidently and proficiently over a distance of at least 25 metres?	81%	<i>Weak swimmers, some swimmers missed final swim.</i>
What percentage of your current Year 6 cohort can use a range of strokes effectively [for example, front crawl, backstroke, and breaststroke]?	74%	<p><i>Spreadsheet used to monitor 3 x different strokes (front crawl/backstroke and breaststroke) Some children could swim certain strokes but not all.</i></p> <p><i>All pupils swim every alternate half term.</i></p>

<p>What percentage of your current Year 6 cohort can perform safe self-rescue in different water-based situations?</p>	<p>81%</p>	<p>.</p>
<p>If your schools swimming data is below national expectation, you can choose to use the Primary PE and sport premium to provide additional top-up sessions for those pupils that did not meet National Curriculum requirements after the completion of core lessons. Have you done this?</p>	<p>Yes/No</p>	
<p>Have you provided CPD to improve the knowledge and confidence of staff to be able to teach swimming and water safety?</p>	<p>Yes/No</p>	<p>ADys attended life saving swimming course.</p>
