

Dear Parents and Carers,

As a part of your child's education at Robert Wilkinson Primary Academy, we promote personal wellbeing and development through a comprehensive Personal, Social, Health and Economic (PSHE) education programme. PSHE education is the curriculum subject that gives children the knowledge, understanding, attitudes and practical skills to live safe, healthy, productive lives and meet their full potential.

I am writing to let you know that, over this academic year, your child's class takes part in lessons which focus on the relationships and sex education (RSE) aspect of this programme. Lessons across the curriculum include pupils learning about: healthy relationships, including friendships; families; growing and changing; personal hygiene; changing feelings; becoming more independent; keeping safe; developing self-esteem and confidence. Pupils will also have opportunities to ask questions.

PSHE education is taught throughout the school in every year group and is monitored and reviewed regularly by the staff and governing body. Please visit the school's website for more detail about our PSHE curriculum.

All PSHE teaching takes place will take place in a safe learning environment and is underpinned by our school ethos and values. We would like to invite you to attend a parent information meeting on **17th January 2024 at 2:30pm** to find out more about what your child learns, view the materials and resources being used in lessons and discover how you can best support your child to discuss these topics at home.

As a school community, we are committed to working in partnership with parents/carers. If you would like to find out more or discuss any concerns, we would urge you to attend the information meeting and look forward to seeing you there. If you would like to attend the meeting, please complete the Google form accordingly so that we have an idea of numbers. This meeting is being held during the school day and we would appreciate it if any younger children are not present.

Yours sincerely,

Mrs Clark
PSHE Lead
